

**ROUND 1 INTERVIEW**  
**November 8, 2018**

**GARY WOODLAND (-6)**

---

**Q. A little bit of a frustrating finish for you, but it was a really nice round of golf, though.**

**GARY WOODLAND:** Yeah, it was frustrating. I had some chances coming down the stretch and just didn't get anything, and three-putting 17 was frustrating. But I played well early, hit it close, which was nice. It was nice to get off to a good start.

**Q. Did this round actually start in Las Vegas? I know you stubbed your toe a little bit on Saturday and then finished so strong on Sunday. Did you bring a little momentum with you to Mexico?**

**GARY WOODLAND:** Yeah, I mean, I've been playing well for a while now.

**Q. Yes, you have.**

**GARY WOODLAND:** So it's just kind of carried over. I love this golf course, I love being back here. The resort's amazing, the golf course is in great shape. The rough's up, as big as I've seen it. The golf course is great and it's nice to be back.

**Q. Looks like fairways and greens are holding right now?**

**GARY WOODLAND:** They are. Obviously we got some rain sprinkled on us a couple times today, but outside of that, the weather's perfect. It's nice to be back here on a good golf course.
