

DOMINIC BOZZELLI (-11)

Q. Obviously a good round in the opening round, and today, 4 under par to get to 11 under. What was the key for you so far this week?

DOMINIC BOZZELLI: Been rolling it pretty nice, so seeing the lines and hitting my start line's been pretty good, so leaning on that right now. Hit it a little bit better yesterday, so going to go hit some balls and get ready for the weekend.

Q. Was the golf course any different today than it was in the opening round?

DOMINIC BOZZELLI: You know, not much. It didn't blow a whole lot yesterday. It was dead calm for probably seven, eight holes. Got a little bit of wind on the back nine, but it's less than 10, so pretty ideal scoring conditions and got to keep making birdies.

Q. You're playing under a major medical exemption, you've got a couple tournaments left after this week. How much pressure are you feeling right now?

DOMINIC BOZZELLI: Honestly, not a lot. I didn't even know how many starts I have left. You know, just trying to do my job, show up every day and work hard, going with that right now.

Q. Was there a particular hole out there today or hole location that the players really need to be careful of?

DOMINIC BOZZELLI: I don't know, nothing really comes to mind right now. Get it in the fairway and should have a pretty good look all day.
