

ROUND 3 INTERVIEW
November 10, 2018

AARON WISE (-14)

Q. Just a couple thoughts about today and heading into tomorrow. You're put yourself in good position.

AARON WISE: Yeah, you know, it's good to see where I am after starting with an even par round. Did a lot of work the last two days. You know, got the birdie train rolling today. I think I was bogey free, which is awesome. Saw some birdie putts go in, which is what you need around here. Like you said, in a good spot. Still got 18 holes to go, but happy to have maybe a chance at the end of it.

Q. On the paspalum and obviously the conditions have been great, does that change your mindset as you're going into the weekend at all?

AARON WISE: You know, it's funny. Coming off the end of last year where it seemed like every course we played was so hard, going into this fall series, playing last week and this week where you've got to make as many birdies as you can, yeah, it definitely changes your mindset. You know you've got to take it low out here and you know the winner's going to be super deep in the 20s. It's just something you've got to go out there and do, but the biggest key is making putts and I've been able to go out there and do that the last couple rounds.
