

**FINAL ROUND INTERVIEW**  
**November 18, 2018**

**PETER UIHLEIN ( -15)**

---

**Q. Peter, final round of 63. Did you come in here with a number in mind that you felt like you had to post?**

**PETER UIHLEIN:** No, no. I don't know how many shots I started back, I think it was 8 back? No, I was just going to go out and try and play a good solid round of golf. I had such a bad Sunday in Vegas, I really kind of wanted to post a really good number today. Yeah, it was nice. I got it going for that middle stretch of the round. Yeah, it was good.

**Q. You posted 15. As we look to the leaders coming in, any crucial holes to you that stand out?**

**PETER UIHLEIN:** Tee shot at 16 is probably the toughest, and with that wind left to right on 18 could be a little tricky, but that's about it. I guess it would be 18, 19 when it's all said and done.
