

**Final Round Interview**  
**18 November 2018**

**JOHAN KAMMERSTAD**  
**Australian All Abilities Champion**

---

**Q. Johan Kammerstad, the inaugural Australian All Abilities Championship winner, how does that sound?**

**JOHAN KAMMERSTAD:** It sounds great to me, yeah. I'm really pleased.

**Q. It's been a goal all week of yours, you've been pretty steely concentration-wise getting to this point.**

**JOHAN KAMMERSTAD:** Yeah, of course that was a main goal, to win, but I know the guys are good, so I have to be at my best to beat them.

**Q. And pretty special today, mate, 72.**

**JOHAN KAMMERSTAD:** Yeah, it was good. A lot easier today than yesterday. Yesterday was brutal, but today was good.

**Q. Walk us through a couple of highlights. You made a couple of birdies today?**

**JOHAN KAMMERSTAD:** Yeah, I started a bit better, I birdied the second hole, a long putt, maybe 10 metres or something like that. And then I played pretty solidly, I wasn't in any trouble. I was in trouble on 3rd, but I managed to squeeze out a bogey anyway. Then I made a couple of birdies on the back nine as well.

**Q. You were pretty calm yesterday in front of the crowds. Pretty big galleries again today?**

**JOHAN KAMMERSTAD:** Yeah, it felt okay. I wasn't that nervous. As I said yesterday, it was sort of like playing in front of maybe 10 people.

**Q. You must be pretty calm because they're pretty good galleries.**

**JOHAN KAMMERSTAD:** Yeah, there were a bunch of guys up on 14, I hit a 7-iron to a metre and I thought the roof was going to come off. My coach has it on video, so it's going to be fun to watch.

**Q. What's the week been like for all the guys to come down from Europe and play against the best in Australia as well? It's been a pretty memorable week?**

**JOHAN KAMMERSTAD:** Yeah. I don't want to compete again unless it's on these conditions.

**Q. Pretty special?**

**JOHAN KAMMERSTAD:** Yeah, very special.

**Q. What do you think the future of this tournament is?**

**JOHAN KAMMERSTAD:** I have no idea. I hope it stays the same, it's perfect.

**Q. So in a hundred years and your name's the first on the big trophy, that's going to be pretty special for you?**

**JOHAN KAMMERSTAD:** Yeah, yeah.

**Q. We're really glad to have you, congratulations.**

**JOHAN KAMMERSTAD:** Thanks. Glad to be here.
