

Q. (Question about songs on No. 16.)

DIMI PAPADATOS: Yeah, there was a couple good ones coming on actually.

Q. You didn't get to request one?

DIMI PAPADATOS: Are we allowed to request?

Q. I think so. I don't know who you put that request in to.

DIMI PAPADATOS: They had some good tunes going today, so I just let it go. No complaints.

Q. Everything else going well for you today, 5 under as well?

DIMI PAPADATOS: Yeah, it was really good. It was a bit of a slow start and then holed out for my second on 17. I think I was 1 over and that got me to 1 under. The front nine I think with the wind today was playing definitely a bit easier than the back. The back's a pretty good test, especially the way the wind was going. So yeah, it was nice to come home strong.

Q. It's a good start to win a tournament, but for you it could be a good start to win the Order of Merit title as well. Was that the plan, just post low?

DIMI PAPADATOS: Oh, yeah, like every other week so I don't feel any other different. But yeah, definitely.

Q. Last couple weeks ago at the Australian Open it was a really good week for you. What did you do in the week off, anything golf related?

DIMI PAPADATOS: No, I just did a bit of practice, took it easy, saw a few mates. Yeah, nothing too crazy.

Q. Did you learn anything that back nine on Sunday at The Lakes from the couple shots at 14, things like that that you can take into this week, or just one of those things happens in tournament golf?

DIMI PAPADATOS: No, I learnt I can deal with that sort of stuff. I didn't just -- a tough shot, sticky situation, it was a tricky hole. I felt like that was -- it's quite a big event for me, and

playing in Sydney in front of everyone, all my family and friends, that was a bit of added pressure I felt and I dealt with it really well and I felt quite comfortable. Even though I wasn't really in contention, I sort of got myself in a pretty decent position for the last day. So no, I just took a lot out of that and get more confidence, a bit of self belief maybe.

Q. Does that free you up for this week, just really having a good time and seem to relax? You're pretty relaxed in general.

DIMI PAPADATOS: Yeah, I'm usually pretty relaxed, always free up, but I don't think you can free up too much because you've always got to take advantage of the good weeks. It never gets more relaxing. When you're playing, well. You want to make the most of it. When you're playing bad, you're trying to turn it around. So you're never really relaxed, but it is more enjoyable obviously playing back at home.

Got my good mate, Dan, on the bag and staying with the Gibbellinis, you know, family friends, having a good time and cooking up a lot of ribs last night, so that probably helped, shout out to Ange Gibber.

Q. Where's Gibber this week? He didn't come down today?

DIMI PAPADATOS: He'll be around somewhere. He's probably in the buffet or something.
