

ROUND 3 INTERVIEW
December 9, 2018

GRAEME McDOWELL (-29)

Q. It would be two short.

GRAEME McDOWELL: Listen, I missed it from about two feet on the 5th today, which is going to prove quite costly at the end really. I hit a 4-iron in there to about two, two-and-a-half feet, and it was a mere tap-in for birdie and I missed it, you know. Emi and I played fantastic on the back nine, we really ham-and-egged it really well. You know, birdied 11 through 17. Disappointed with that putt on the last there, it was a misread. I kind of -- I feel like that green has a pull to the other side and I just under read it a little bit. Disappointed that that's the way I'm going to finish my year. But a huge amount of positives in my game, and the way Emiliano played this week. This is one of my favorite tournaments. Another second place for me, I think that's about three of them. Look forward to getting back here next year and trying to go one better.
