

**ROUND 2 INTERVIEW**  
**January 25, 2019**

**JASON DAY (-6)**

---

**JASON DAY:** (in progress) being at 6 under and being nine shots back currently. Rose is obviously playing some pretty good golf, especially today. I mean, today wasn't easy at all, you've got to hit the fairways. He's obviously got everything firing.

So I think the wind is going to be up a little bit tomorrow, so hopefully that makes it tough for us and I can somehow claw my way back into the game.

**Q. You're the defending champion, it's 36 holes to go on the South course here. You know that anything can happen. You mentioned the wind. So what needs to get better? What do you need to work on tonight, because you're right there?**

**JASON DAY:** Yeah, I'm going to go to the range. I mean, I'm starting to drive it a lot better, I just need to hit my iron shots with a bit more quality. Once that happens, hopefully I can give myself a few more opportunities.
