

ROUND 1 INTERVIEW
February 21, 2019

DUSTIN JOHNSON (-7)

DUSTIN JOHNSON: Anytime you shoot 7 under, no bogeys, it's a good day. I thought it was really solid.

Q. (No microphone.)

DUSTIN JOHNSON: No, I feel like I'm swinging really well. As long as I continue to swing well, you know, I'm going to play well around here. Definitely got to drive it good. I felt like I hit the driver well today. Especially you've got some of these short holes, you give yourself some easy birdies, which is nice. Even today I shot 7 under, I parred two par 5s and just missed a couple short putts. I think these greens are kind of tricky, you're going to miss a few short ones, but all in all I was able to put together a really good round. The greens are tough, a lot of slope. They're fast and they're tricky to read.
