

**ROUND 2 INTERVIEW**  
**February 22, 2019**

**ABRAHAM ANCER ( 1 )**

---

**Q. Two rounds in the books. Playing alongside Tiger in front of the home fans. Speak to the experience.**

**ABRAHAM ANCER:** Great experience. A little frustrating on my part not making too many putts I wanted to. But I'm hitting the ball good. I played with Tiger. It was a show out there today. I enjoyed it. He's a great guy, we had a lot of fun. Got to see some really nice shots. And I really enjoyed the whole experience. It was awesome.

**Q. Speak to the good shots. You have had an uptick in form since late last year. Has there been a catalyst? Anything special?**

**ABRAHAM ANCER:** Just keep believing in my game. I think a tournament like this helped me out, knowing that I have the game that I have to compete in this type of event. I don't know, I think maybe I got a little bit longer off the tee, and just putted a little better towards the end of the season.

**Q. Playing this golf course, what's the secret? We have been talking about the altitude, the bouncy greens. What's your take on it?**

**ABRAHAM ANCER:** Yeah, I mean, everybody knows that the ball is going to go forever, and the greens are tricky. But still, you know what to do, and it's hard to do -- it's pretty hard to trust your putt and your read, when you see it going one way but then the book says the other way. And it's funky, but it's a great golf course. You have to hit it really, really good.

**Q. Appreciate your time. You have been a great champion. Thank you very much.**

**ABRAHAM ANCER:** Thank you.
