

FINAL ROUND INTERVIEW
February 24, 2019

ABRAHAM ANCER (E)

Q. Final thoughts. A closing birdie to finish the tournament this week.

ABRAHAM ANCER: Yeah, it's nice to finish with a birdie. Obviously, wanted to see a lot more go in, which it was tough, tough week on the greens. But I leave with a good taste in my mouth. I fought all week long, never gave up, which it could have been pretty easy to do for how frustrated I was. And I could see in other players being frustrated. Having the golf course right in front of you and just can't make any birdies is always very, very frustrating. But like I said, I feel like I handled myself well. Learned a lot this week, and can't wait to get back on the PGA Tour.
