

FINAL ROUND INTERVIEW
February 24, 2019

KIRADECH APHIBARNRAT (-11)

Q. Birdie-birdie-birdie finish, this is exactly the way you want to finish on a week like today.

KIRADECH APHIBARNRAT: Exactly. I've been playing really tight all days, just waiting until the time was coming. Was even par after 15, which is a top day for me. I just put a lot of pressure on myself, I want to do well here. The last few birdies mean a lot to me.

Q. How tough is it to stay patient out here? I know this course can offer up birdies and eagles, but it can quite easily take them away from you as well.

KIRADECH APHIBARNRAT: Exactly. The green is really difficult. If you're not really careful, it can hurt. I stayed patient all day. I'm still thinking off the tee that I can make a couple birdie at the end and then finally it done.

Q. After a tough week at Genesis, tough conditions, finishing third at WGC, world ranking points, Race to Dubai points, this is everything you want?

KIRADECH APHIBARNRAT: Yeah, I say last three birdie is a big thing for me. The FedExCup point, Race to Dubai point, the world ranking as well. So make me lift me a little bit, just go play my own game. Been a great week so far.
