

FINAL ROUND INTERVIEW
February 24, 2019

TIGER WOODS (-8)

Q. Just overall takeaways from the week? I know you're three events into the season. As you get into the Florida Swing now, what's the main takeaways in your mind?

TIGER WOODS: Well, each finish got a little bit better. Unfortunately, I just did not putt well the last couple weeks and it has not been very good.

Q. And just the atmosphere here in Mexico City, just playing this event for the first time?

TIGER WOODS: The crowds were incredible. The amount of kids that were out here, the excitement, the place was buzzing. It was good to see. I had never played in Mexico, so this is my first time and had an unbelievable experience.

Q. Just being at home next week, what's your overall plan just getting ready for Bay Hill?

TIGER WOODS: Well, I'll do a little bit of practicing, but doing a lot of training and try and be ready for the next couple weeks.
