

**ROUND 3 INTERVIEW**  
**April 6, 2019**

**SCOTT BROWN ( -11)**

**Q. Scott, 5-under 67, hot start. Struggled a little bit in the middle of the round, but then finished off pretty good coming down the stretch.**

**SCOTT BROWN:** Yeah, played nicely today. Just kind of plodded my way around. Drove it pretty good, hit some good iron shots and finally made some putts today.

**Q. How much are you thinking about Augusta, the opportunity to finally play there?**

**SCOTT BROWN:** I knew you were going to ask that. I mean, I think about it every tournament, so this one doesn't stand out any more than any other. But I know every tournament, if I win it, I can get there, so it's always in the back of my mind.

**Q. Comment on the conditions that you faced today, sort of the tale of two nines, I guess.**

**SCOTT BROWN:** Yeah, it was tough this morning. We had some pretty heavy rain there for four, five holes, and then the wind picked up a little bit after that blowing the rain out of it here, and then it got nice there at the end. Just a whirlwind of a day weather-wise really.

**Q. And thoughts on tomorrow's final round? You've got a shot.**

**SCOTT BROWN:** Yeah. I mean, yeah, that's what we play for, just to have a shot. Those guys are I'm sure going to play great again, so I've got to go out and shoot another mid 60s number to have a chance. Hopefully, I can get it done.

**Q. Just looking ahead to tomorrow, what did the tale of two nines today kind of teach you about this golf course that you can take into tomorrow with similar conditions?**

**SCOTT BROWN:** Yeah, you know, it was pretty receptive early as far as the greens go just because of the rain. It's probably going to dry out a little bit this afternoon and get a little firmer, but I don't see it getting away from them, so I think it will play fairly scorable tomorrow.
