

RICKIE FOWLER (-8)

Q. Rickie, if we can get some comments on your day, please.

RICKIE FOWLER: It was a warm one out there today, so tried to keep things moving forward. I think we did a good job of that.

I wish we could have made a few more birdies, but we had some interesting wind out there today. It seemed like it was blowing from every which direction throughout the day. I think it started kind of in the northwest area. We saw some southeast at one point, which was completely the opposite of where we started. So it was always trying to figure out where it was.

And then we had the storms come up close when we had about -- I think we were on the 14th, started blowing pretty good on 14, 15. So I thought we did a good job of getting through that, not making any big mistakes.

And then nice to make birdie at 17. Felt like we left some out there, but it's always nice to have a clean card.
