

**CAMERON TRINGALE (-16)**

---

**Q. Cameron, I know it wasn't the finish that you wanted at 18, but can't take away from a really good Saturday moving your way into contention.**

**CAMERON TRINGALE:** I played nice today. I can't let -- I had a poor finish yesterday and I just told myself it's behind you and come out strong tomorrow, and I plan on doing the same thing tomorrow.

**Q. I know the schedule is never a guarantee. How do you rev up for a week and then when you get it in like this, find yourself in contention?**

**CAMERON TRINGALE:** One day at a time. I don't think about the schedule too much, to be honest. I just think about what I need to do this week and that's where my head's at, what I'm thinking about.

**Q. This is a continuation of some pretty good form. You had a good finish there in Canada and it's kind of kept forward for you here. What's been working the best in your game?**

**CAMERON TRINGALE:** I've been driving it really well, just giving myself a lot of opportunities out here. The golf course is gettable if you are in the fairway and can get to these tucked pins, and I've been able to set myself up for a lot of good iron shots, and then finishing it and making the putts has been key this week, too.

**Q. Always better to be inside the Top 125 than outside the Top 125 in FedExCup points. You come in this week 120th. I know tomorrow's a big opportunity to really take care of business for the entire year really.**

**CAMERON TRINGALE:** It is, and I've been in this position in the past and I know my life's not going to really change that much one way or another, so I can play with a lot of peace. Yeah, obviously want to play well and want to win, but I'm just going to do it one day at a time.

**Q. Cameron, what are you most pleased with about your game this week?**

**CAMERON TRINGALE:** Just driving the ball really well set up a lot of opportunities to attack this golf course. The scores are low, so playing out of the fairway has really helped me sort of set up the rest of my game. And my iron play's been really tight, tidy and putting pretty well. It's really all coming together.

**Q. Cameron, when you're in the position you are in the standings, when you get to this part of the season, is there a temptation to fight urgency to try to make something happen once you get a week rolling in the right direction?**

**CAMERON TRINGALE:** Yeah, absolutely. It can feel like every day's the most important day and the reality is that's not true, although there's less time. I just try and take it a day at a time.

**Q. Cameron, when you say your iron game is good, there's good and then there's PGA TOUR good where you're getting it in the quadrants that you want so that you're putting it in the right spots putting so you have chances for birdie. Is that what you're talking about?**

**CAMERON TRINGALE:** Yeah, mostly that's what I'm talking about. The greens here are really sectiony and they're tucking the pins on top of a shelf or in a saddle. So if you're able to hit it close, then you're going to have a lot of good looks at birdie, but if you don't hit it close, you're going to be struggling to two-putt. They're really severe, the greens are severe, so that's sort of what I meant by it.

**Q. How does a round like today help your confidence going forward to tomorrow when people are probably going to shoot really low?**

**CAMERON TRINGALE:** Well, just try and remind myself that there's 18 holes and you don't have to birdie the first bunch. I mean, you can play -- get on a run any time. So just trying to stay patient, I think especially the first few holes if you make a few pars or a bogey, it's not the end of the world, you can really string them together.

**Q. The top three guys on the leaderboard right now are all looking for their first win. As one of those guys, how do you assess that opportunity and what it means going into tomorrow?**

**CAMERON TRINGALE:** Well, golf, you're not really playing against other people, at least I try not to view it that way. I'm just trying to play the best I can. I'll be aware of the scores and what those guys are doing, but I know I'm going to have my best chance if I just keep my head down and play the kind of golf I've been playing.

**Q. My question was going to be about the crowds. I'm sure they're all going to be following you tomorrow. How do you manage that?**

**CAMERON TRINGALE:** I just try and have fun. It's a special thing to be able to have the support. I've played a lot of weekends where there was no one out there, so I really thrive on the atmosphere. I think it energizes me to have people cheering. And representing Greyson and the 313, a lot of people are supportive and giving the wolf calls and everyone seems to really be enjoying it.

**Q. So for the record, as a professional you like the "get in the hole" people or not?**

**CAMERON TRINGALE:** It's just great to have fans. Can't be picky.

**Q. You're not the only guy I've seen with the 313 logo on your arm.**

**CAMERON TRINGALE:** Trying to represent Detroit. The founder, Charlie, is from this area, so a lot of pride. So this week they're promoting and trying to do something cool and unique.

**Q. What company is that?**

**CAMERON TRINGALE:** Greyson.

**Q. Oh, that's right, downtown.**

**CAMERON TRINGALE:** You can find it on the back of 14 tee, there's a trailer. Been getting a lot of questions, "Hey, where can I get that shirt, where can I get those pants."

**Q. Yeah. How are you in the 313 standings and how cool is that stretch of holes, kind of that carrot that they dangle out for you guys to play well?**

**CAMERON TRINGALE:** I think I'm -- I need a 3, 1 and a 3 tomorrow, so I'm a ways away. It's a great initiative they're doing and something cool to bring attention to this area.

**Q. As a follow-up, do a lot of the guys really like this tournament this year? I guess that's the banter in the locker room. Is this something that you might pencil in next year, won't even be a hesitation?**

**CAMERON TRINGALE:** Well, I love the golf course and the crowds are great. No reason not to come back.
