

ROUND 4 INTERVIEW
July 21, 2019

MATT JONES (-22)

Q. Matt, 63, excellent round. Get some comments on your play.

MATT JONES: It's probably a tournament that could have been a lot better with my putting the first three days, but I made up for it today with a lot of good putts. Made a couple long putts, which was really nice. That should get me through top 125, which was the goal. So might be able to have next week off now and get ready for the Playoffs.

Q. Yeah, I was going to say, currently projected 99th, so after missing the Playoffs the last couple years, what's that mean to get back?

MATT JONES: To not have to go to Q-School -- I mean, not Q-School, I mean Web Finals, is fantastic. I don't want to go back there. I think I played better and I think I'm better than I have performed in the last few years. I think I should be out here every year, and it's nice to be able to do that right now and be able to play on a schedule better next year.
