

ROUND 1 INTERVIEW
August 1, 2019

MARTIN LAIRD (-5)

Q. Great start today with a -5. Just your thoughts on the round.

MARTIN LAIRD: Yeah, played really nicely. Got off to a great start on my first hole hitting it to a couple inches for a tap-in, which is always a nice way to start. And then hit the ball really well all day. Made some putts on my first nine, which was the back nine, and just didn't really make anything on my back nine, but still hit it great and happy with the start.
