

ROUND 3 INTERVIEW
August 25, 2019

BRANDT JOBE (-18)

Q. Started the day seven shots behind, largest come-from-behind win here at the Boeing Classic. What was your game plan going into today?

BRANDT JOBE: You know, I really didn't have a game plan. Kind of funny, I haven't played a lot of golf over the last five weeks, so my game plan was real simple. Dummy it down, get it in the fairway, get it on the green, try and make a putt. Putter started warming up a bit yesterday and hit it pretty solid the whole week. Couple little mistakes, but it never really got me in trouble, so it's just kind of make things simple.

Q. Your second win on the PGA TOUR Champions, but your first since the Principal Charity Classic a couple years ago. Why this week?

BRANDT JOBE: That's a great question. I was telling you earlier, my expectations weren't high. I think I've been trying too hard and this week, you know, Mark's a new caddie. I even told Mark, don't have any expectations, I don't know what we've got this week. So sometimes you dummy it down and good things happen.
