

ROUND 3 INTERVIEW
November 9, 2019

MIGUEL ÁNGEL JIMÉNEZ (-15)

Q. When we talked on Friday, you said that your putter needed to continue to heat up and you needed to improve around the greens and you definitely did that today.

MIGUEL ÁNGEL JIMÉNEZ: Today, yes. It's been that one day yes, one day no, one day yes. I hope tomorrow yes again. Yesterday it was no good, but today it was working back again like the first round and that is very important. The greens are very good and the people are hitting low. On this course, you need to hole putts.

Q. And you're obviously pleased with your round, you're now tied for the lead going into tomorrow, last round of the season. Strategy for tomorrow and your emotions overnight?

MIGUEL ÁNGEL JIMÉNEZ: Breathe. I'm enjoying it.

Q. Always enjoy it.

MIGUEL ÁNGEL JIMÉNEZ: That's the main thing. I try play hole by hole, shot by shot and let the thing come to you. Just enjoy this nice conditions, this beautiful weather, nice golf course, super conditions, nice field. Everything is positive. Enjoy yourself, you know. Hope I can hit it well the way I've been hitting it at the moment, hole some putts like I've been holing today.

Q. Is it nice that your son gets to watch you and you have a chance to win the tournament?

MIGUEL ÁNGEL JIMÉNEZ: Yeah, it would be nice, no. He was here when I won my first tournament here in Naples. Yeah, Naples. Then he come in Thursday to see me here for the weekend. It's nice, it's good.
