

BERNHARD LANGER (-12)

Q. A lid on the cup today for both you guys, huh? A lot of close birdie putts?

BERNHARD LANGER: Yeah, I didn't make a lot today, either one of us. I didn't play good early on, but then still, if a few putts would have dropped, it would have changed a lot of things.

Q. Four shots behind, a lot of guys in contention. We know what can happen on the last day, anything, right?

BERNHARD LANGER: Yep, it sure can. Somebody can get hot tomorrow and that will do it.

Q. Vijay was six back last year and won by four.

BERNHARD LANGER: There you go.

Q. Who knows, right?

BERNHARD LANGER: Yeah, you just never know in this game. It's the type of course if you really get hot, you can shoot low, and if you're a little off, you can lose a couple. That's just how it is.
