

BERNHARD LANGER (-16)

Q. Obviously another impressive season. Maybe not the day you you would have wanted, but in the hunt for your sixth Cup. Are you pleased with your season and the way that things are going?

BERNHARD LANGER: Well, it's been a good year, I won twice, one major and I had a chance to win the Schwab Cup. Just a little disappointed with today. I played really well, just didn't make any putts. If you don't make putts, you're not going to win.

Q. Obviously very low scores out there today.

BERNHARD LANGER: Yeah, conditions are great.

Q. Did you do a lot of leaderboard watching?

BERNHARD LANGER: A little bit towards the end. Conditions are great, the greens are beautiful, not much wind, so you're going to see some low scores when that happens. And the guys are taking it low, so that's why you've got to make some putts.

Q. And going into the offseason, what are your plans for the offseason? Take it easy, going skiing maybe?

BERNHARD LANGER: Yeah, go skiing, play the Father-Son in a few weeks and put the clubs away for a while. Just relax, do the things I haven't had time to do lately because I've been out here too much. Hopefully find some clubs I can play with next year. Got to make some changes here. Otherwise, just enjoy Thanksgiving and Christmas and all that kind of stuff.

Q. Well, congratulations on another great season.

BERNHARD LANGER: Thank you.
