

**VAUGHN TAYLOR (-12)**

---

**Q. Got that final birdie there at 18. How were conditions out on the golf course today?**

**VAUGHN TAYLOR:** Yeah, it was a little drier today, a little more breeze, a little sunnier. Really nice day, it was beautiful out there today. Just tried to have a good time out there. I had fun.

**Q. You weren't alone, the one bogey on your card today at 16. Talk about how difficult that hole is.**

**VAUGHN TAYLOR:** It's really tough, into the wind especially. For me, I had 4-iron in there, so really need to hit that fairway and just didn't do it today. You know, back pin on that hole, it's one of the hardest holes out here.

**Q. We talked a little bit yesterday about the veterans having a lot of success here. Think about that any more? I mean, you're right there near the top of the leaderboard.**

**VAUGHN TAYLOR:** Yeah, it crossed my mind today. I had a funky situation and I had the same situation before, so kind of feel like my experience helped me there. Thanks for the tip yesterday.

**Q. These greens are Paspalum. You're such a good putter. What is it about these greens that really make you feel like you can make a lot of putts?**

**VAUGHN TAYLOR:** Well, this year the speed is a little quicker. I feel like in the past they were just a little too slow where this year they're a foot or two faster. I like fast greens, I just really like them.

**Q. Well, you're in great position heading into the final 36. Get some rest, it's going to be a long day tomorrow.**

**VAUGHN TAYLOR:** Will do. Thanks.
