

**VAUGHN TAYLOR ( -20 through 14 holes)**

---

**Q. This back nine, you've been chipping away, chipping away. How would you describe how you've been able to pull into a share of the lead?**

**VAUGHN TAYLOR:** You know, I don't really know. Just trying to hang in there the best I can. Didn't feel great today, so just kind of trying to just do anything I can to kind of hang in there. Brendon had it going for a while, looked like he was just going to put it on autopilot. I was just kind of lucky to catch a couple and be tied for the lead, so pleased.

**Q. How big of a momentum swing was there on 13 today?**

**VAUGHN TAYLOR:** Yeah, it was big. I felt like I had to birdie 13, just couldn't let that one get away, so that was a big up-and-down. Brendon missed that up-and-down, so it was good to get one there. And 14 as well, that was a really tough up-and-down. You just never know how they're going to come out of those chip shots and just kind of fortunate that one came out pretty good.

**Q. How, with what you said isn't your best game, are you overall big picture over 32 holes able to grab a share of the lead?**

**VAUGHN TAYLOR:** I know my putter's good right now and just trying to lean on the putter. I'm hitting some good shoots, too, as well, but it's always a good feeling when you know you're rolling it good. So just trying to be positive and hang in there as best I can.

**Q. Game plan tomorrow being back in this position?**

**VAUGHN TAYLOR:** Just get some rest tonight, most importantly. Just try to get some good sleep and just do my normal routine in the morning and hopefully feel nice and calm and come out and play well.
