

**ROUND 2 INTERVIEW**  
**December 5, 2019**

**GARY WOODLAND ( -9)**

---

**Q. Gary, just some thoughts on your round today?**

**GARY WOODLAND:** I actually played really well today. Got a little unfortunate where the ball ended up there on 14 and let the bad lie kind of get the best of me there for two holes, which is frustrating. But outside of that, I played great. It's nice to finish the way I did because I played a lot better than I scored today. So dinner will taste a little bit better birdieing the last three and looking forward to going out and playing the weekend.

**Q. Needless to say, coming into the week, questions were just getting tuned up for next week with a more relaxed environment.**

**GARY WOODLAND:** Yeah.

**Q. As you played the last two days, before the tournament, would you have taken how your game feels right now?**

**GARY WOODLAND:** I do. My game's feeling pretty good. I had a good week last week at home, good week of prep. Obviously eyes are set on next week, but we've got a big week this week, too. A lot of world ranking points and a lot of money at risk, so we're going out and trying to win a golf tournament, beat up on all these guys and next week we'll all be buddies.

**Q. How big was your finish today?**

**GARY WOODLAND:** It was huge. I needed that, because like I said, I played solid all day and didn't get anything out of it, and then a little bad break there on 14 and let it unfortunately get the best of me on 15 and then it kind of made me a little mad, I guess. And birdieing the last three was huge, got me back in the golf tournament and give me a chance for this week.

**Q. What will it mean for you to win this tournament?**

**GARY WOODLAND:** Huge. I mean, it obviously continues the year that I've had. It's been a great 2019, so anytime you add another win to it, just gets a little better. But I think it gives you a lot of momentum going into next week, which is obviously a huge week not only for me but for a lot of us that are here and I'm looking forward to that.

**Q. Speaking of next week, aside from winning the Cup, what about the experience are you most --**

**GARY WOODLAND:** I'm looking forward to the team room, just hanging out with the guys. I've missed that team aspect my whole career and I look forward to getting in there and roughing it up with the guys and having a good time and then hopefully going out and playing great golf with everybody.
