

**ROUND 3 INTERVIEW**  
**December 15, 2019**

**RORY SABBATINI**  
**KEVIN TWAY (-31)**

---

**Q. Rory Sabbatini and Kevin Tway with me. A 60 today and we have to give you a lot of credit. Yes, this is a fun event, but a 60 is pretty impressive, you were making everything. Billy Ray Brown was in your group and he said it's the best golf you played tee to green in years.**

**RORY SABBATINI:** As you said, its a fun event. It's also more relaxed. He played great. He took a lot of pressure off me so it allowed me to be a little freer and allowed me to be a little aggressive out.

**Q. You tried a new technique on the putting surface out there this week. What was that?**

**RORY SABBATINI:** We tried to do an interpretation of AimPoint. I don't know if we were doing it correct or not. It seemed to work pretty good. Maybe it was pure luck, but it was something we tried this week.

**Q. Must have been pretty cool to have a front row seat to that action. Another guy who had a front row seat was your dad on your bag for the first time since 2011. What was that like?**

**KEVIN TWAY:** It was nice to have dad out there. It's been a while since he caddied for me. He comes out a lot, but to have him right by my side was fun, and to play well and win with him there was also a lot of fun.

**Q. This really is a family affair. You had extended family here. How special is it to share this win with them?**

**RORY SABBATINI:** It was fantastic. We had quite a group here this week, so we partook in a lot of fun outside of golf, but we also had a lot of fun with the golf.
