

**ROUND 2 INTERVIEW**  
**January 24, 2020**

**CHARLEY HOFFMAN ( -1)**

---

**Q. Right now it looks like you will make the cut. What do you need to do if you go into this weekend?**

**CHARLEY HOFFMAN:** Yeah, you know what, make more putts. I didn't putt very good today unfortunately. The greens are slightly bumpy on the South Course. Hopefully get a little better conditions tomorrow when they firm up a bit. Tee to green I felt all right and I just need to make a few more putts to have a chance.

**Q. How was the weather out on the course today?**

**CHARLEY HOFFMAN:** It was perfect. Fog rolled in just a little bit, but it was perfect out here at Torrey Pines.

**Q. Charley, do you feel any extra pressure? I mean, it's been since 2001 that a local guy's won this when Phil won it. Is there extra pressure playing in your hometown?**

**CHARLEY HOFFMAN:** It's tiring. I wouldn't say it's pressure, it's a long week for me. I had my foundation event on Sunday and Monday and then practice round on Tuesday, pro-am on Wednesday. It's a tiring week. I wouldn't say I put too much extra pressure on myself, it's just a tiring week.

**Q. You've gotten a chance to play both courses now. South Course recently redesigned. How do you feel about it?**

**CHARLEY HOFFMAN:** It's a long golf course. Obviously the Tour didn't have much say in that, it's another organization that decided to do those changes. You know what, it's hard. You've got to play good golf. It's a big boy golf course.

**Q. You're not too tired for tomorrow, though, are you?**

**CHARLEY HOFFMAN:** Well, I've got to get to tomorrow before that happens.
