

**ROUND 4 INTERVIEW**  
**January 26, 2020**

**TOM HOGE (-11)**

---

**Q. Four under in your final round. Just some thoughts on how it went out there.**

**TOM HOGE:** Yeah, it was an exciting day, for sure, being there with Tiger and all the craziness out there. A couple nice putts early kind of settled me down and got me going there and played pretty well.

**Q. I know playing with Tiger, like you mentioned, isn't always easy. At Torrey Pines in the final round, how was it personally for you to try to keep it all together?**

**TOM HOGE:** Luckily, I've had one experience, my rookie year on Tour, where I played with Tiger so I kind of knew what to expect a little bit getting in there. But it's always fun being in this environment and having all the people out here. It's what you want to do on Sunday.

**Q. And a good finish for you. How do you keep this momentum going?**

**TOM HOGE:** Yeah, it's been three good weeks now. Yeah, hopefully I can get out there in Phoenix and keep it going.
