

ROUND 2 INTERVIEW
February 21, 2020

EMILIANO GRILLO (-10)

Q. 66-68 start, just a few comments about the first two days?

EMILIANO GRILLO: I played great. A little bit up and down with the tee shots, but it's been good so far. I kept the ball in front of me. I was able to convert pretty much every single time that I had a chance.

Q. How was the wind today? Did it switch on you?

EMILIANO GRILLO: It switched a little bit. We played the first two, three holes with no wind and then it started picking up, almost same direction. The golf course plays about the same, it just changed a little bit here and there, but it's the same direction we always play it.

Q. Are you happy with -- obviously your scores reflect it. Are you happy with where you are going into the weekend?

EMILIANO GRILLO: Oh, of course. Double digits in any tournament, I'll take that.
