

VIKTOR HOVLAND (-10)

Q. How do you feel out there today and being at the top of the leaderboard even though the last couple tournaments hasn't been the way you want to be?

VIKTOR HOVLAND: Yeah, certainly been playing good so far this week. Weather's been nice. It's been pretty windy, which I'm kind of used to in Oklahoma. So no, I've just been playing good the last couple weeks. Not as good as I would have liked, but I'm definitely trending in the right direction, so it will be fun to play the weekend.

Q. Last year you were in the U.S. Open, the Masters, now here in Puerto Rico. Can get you that pumped up going to the weekend? What do you expect throughout this weekend playing with the final pairing these couple days?

VIKTOR HOVLAND: I feel like the wind is blowing out of the same direction here every day, so I think we'll see the course playing very similar to the first couple days. I'm sure the pins are going to be a little more tucked in the corners the next two days, so it will be interesting to see how it plays.

Q. What would a win for you mean here in Puerto Rico?

VIKTOR HOVLAND: It would be awesome. I mean, I would like to win anywhere, but it's my first time in Puerto Rico and right by the ocean, so it's an incredible spot.

Q. Do you like it so far?

VIKTOR HOVLAND: Love it.

Q. Just a little bit of everything today, birdie, eagles, bogey, yet you're right at the top of the leaderboard where you want to be. Just a few comments about today's round.

VIKTOR HOVLAND: Yeah, I played really solid, hit a lot of good shots. I don't think I missed a green today, so yeah, my iron game was really solid and I drove it great. Didn't really putt it that awesome, to be honest. I don't think I made a putt outside 10 feet. Hopefully I get the putter going a little bit over the weekend and it can be really fun.

Q. Have you been feeling kind of this consistency coming on leading up to the week?

VIKTOR HOVLAND: Yeah, I feel like I've been playing really just better every single week. I've kind of had a little rough patch over the last couple months, but really feel like my game is getting back to where it should be. If I can just continue working on short game and

putting, it's going to be, yeah, really good.

Q. I know yesterday morning when you played the wind was kind of all over the place. What were the conditions like today?

VIKTOR HOVLAND: They were pretty standard. I mean, the wind was blowing from the same direction the whole day and then at the end it got a little quieter, so that was nice. But it's been pretty consistent.
