

**KYLE STANLEY ( -10)**

---

**Q. Right now you're the clubhouse leader. How do you feel out there today and how are the conditions like?**

**KYLE STANLEY:** Yeah, I felt okay. Need it to like me for a couple more days. You know, it was kind of pretty similar conditions to yesterday, just a ton of crosswinds. Get it in play, ball in hand. Didn't quite putt it as well as I did yesterday, but all in all, a couple under out here with as windy as it is isn't too bad, so I'll take it.

**Q. Last time you won in 2017, now you're going in a good rhythm, you're playing great. What's going to be the key part of your game tomorrow and heading into the weekend?**

**KYLE STANLEY:** Yeah, I'd probably like to maybe drive it a little bit better. My miss right now is kind of a little bit of a right ball, so loving the right-to-left holes and not quite as comfortable on the left-to-right ones. So go work on it a little bit. When it's this windy, I think the best thing is try to keep the ball in front of you and try to give yourself opportunities.

**Q. 64-70, with that 64 you had the lead. How difficult was it today coming out with the lead and still with the wind continuing?**

**KYLE STANLEY:** Yeah, I thought the wind conditions were pretty -- I thought the course played really similar to yesterday aside from maybe the first morning holes where we didn't get much wind, which is nice. You don't get really too many straight down or straight in, it's just a ton of crosswinds. That can be kind of tough to control your ball in those conditions. My miss right now is a little bit of a right ball so I'm loving the right-to-left wind holes and I need to get a little more comfortable on some of the left-to-right ones.

**Q. So, Kyle, we talked off the air, you've always been a great iron player; 2017-2018 inside the top-10 in greens in regulation. Got to bring it up. The 5-iron you hit on the sixth hole, Curt Byrum said it was three grooves low. What happened?**

**KYLE STANLEY:** It was more than that. It was a 5-iron. I had to hit a really good one to get it there, so I tried to kind of hit like a super low stinger and I don't know, just kind of topped it. I was actually kind of surprised to see it got down there as far as it did. Yeah, it ended up working out, but it's been a while since I've done that.

**Q. Two-time winner on the PGA TOUR, outside the Top-150 in FedExCup. What are your expectations this weekend?**

**KYLE STANLEY:** Yeah, I think just coming down here, I'm just trying to maybe find a little bit of form. I've kind of struggled the last month. It was either drive home to Washington where our practice conditions really aren't that great right now or come down here and try to work on things, so that's what I'm doing and it's nice to play well at the same time.
