

BRIAN STUARD (-4)

Q. How would you assess the round out there today?

BRIAN STUARD: Kind of just so-so. A little disappointed with the score. I didn't play very good, I didn't putt very well particularly. Drove it okay, but my iron play was not very sharp.

Q. When you start out with the eagle on 10, what kind of mindset did that put you in for the round?

BRIAN STUARD: It kind of relaxes you a little bit knowing you've got a couple right off the get-go, especially when you know you've got to go low to keep up with everybody. But yeah, I was just trying to keep it going after that. Was able to on the front and kind of stalled out toward the end.

Q. Last year here you said you had some of the most family and friends you ever had at a tournament. This year, obviously no fans allowed out here. was it a little bit different playing out there this year?

BRIAN STUARD: Yeah, totally. A lot quieter, I think. But, you know, it's still a great golf course and just happy to be here playing in Michigan.

Q. I was about to stay, you've got to still enjoy coming back here and playing in your home state.

BRIAN STUARD: Yeah, no doubt. It still feels like a home game, I guess, but not quite the same as last year.

Q. (No microphone.)

BRIAN STUARD: Hit an okay drive a little bit out to the right, had 200-ish in trying to hit a nice 5-iron, just kind of pulled it a little bit.
