

CAMERON CHAMP (-14)

Q. Cameron, what was working so well for you out there today?

CAMERON CHAMP: I was just putting things together, really. I still three-putted twice today, but besides that, I took advantage of all my opportunities when they came. Made a great putt you usually don't make on 14 for eagle, so that one I just kind of walked off and was obviously happy with it. It was just an all-around solid day. As I said, minimum mistakes, but then took advantage of the opportunities.

Q. If I would have told you Tuesday afternoon, when you found out that you were able to play in the field and then obviously fly Wednesday morning, that you would have finished 14 under and had this kind of week, what would you have said?

CAMERON CHAMP: I probably would have taken it when you told me that. Like I said, it's been a long week, mentally draining week, but again, thankful to the PGA TOUR, my agent, my team just to get me here to play and gave me the opportunity to play. Like I said, I'm just happy to be back out playing.

Q. What can we expect to see from this golf course as the coverage comes down this afternoon, the leaders are teeing off?

CAMERON CHAMP: The course is firming out pretty quickly. The fairways are very firm, the greens are firm and today they have a lot of back pins, so with certain shots, if you're not too cautious, you can skip them off the back and then you have a delicate chip out of the thick rough. I think that's really the only thing, but I'm sure there will still be some low scores and guys will play good.
