

**BRIAN STUARD ( -12)**

---

**Q. Brian, how would you -- how different was today versus yesterday for you?**

**BRIAN STUARD:** Today was just kind of didn't really mean much after yesterday, so just trying to play a good round.

**Q. Did you change your approach at all coming into today after what happened yesterday?**

**BRIAN STUARD:** No, not really. Just tried to make as many birdies as possible.

**Q. Did you place any importance on finishing strong here?**

**BRIAN STUARD:** Yeah, it would have been nice, but, you know, I don't know, pretty disappointed right now.

**Q. Last year, obviously a lot of family and friends around. This year, they couldn't be here. How big of a difference was that this week from last year?**

**BRIAN STUARD:** Yeah, you know, the atmosphere was definitely different. Yeah, I mean, night and day, I guess.
