

ROUND 2 INTERVIEW
August 14, 2020

C.T. PAN (-8)

Q. C.T., how would you characterize your round?

C.T. PAN: You know, it's great. I finally find my rhythm out there. Been struggling this whole year and it's good to shoot low scores out there.

Q. What was maybe your biggest struggle with your rhythm and your swing that you kind of figured out maybe a little bit?

C.T. PAN: Honestly, I kind of struggle, putting's not great, even long game is just okay, wasn't good enough. But today I hit it way better and putted way better, so that's a good starting point.
