

JERRY KELLY (-2)

Q. Well, you held onto the lead. It looked like there was a little frustration up there signing your scorecard. How do you feel about your day?

JERRY KELLY: Oh, I mean, it's another tough day, it's another tough golf course. Playing the back -- and back of the pack is where you want to be, but it's the toughest spot. And I got a little loose on the back side for the second day in a row and got out of position and made some bogeys. And I'm glad I made at least one birdie back there. I just need to make birdies to counteract those mistakes and limit the mistakes. So even par is not a bad day. But I didn't like giving them away, but it's just -- it was two bad swings, and it's going to happen.

Q. Nobody's really come out of the pack, but it's still kind of anybody's game, really.

JERRY KELLY: Oh, it's a pack, yeah. Yeah, that's -- I mean, we're used to it, though. It's the way it is out here every single week. And somebody's going to shoot a low one tomorrow, and I hope it's me.

Q. Woody was -- he said he left a lot of opportunities out there. So you see it out there, huh?

JERRY KELLY: Oh, you see it out there. There's a five, six, seven under out there, no question. It just hasn't been done yet. So, yeah, I can definitely see it.

Q. No root residue?

JERRY KELLY: No, no, it feels good. It feels all right.

Q. Just checking.

JERRY KELLY: Yeah, I did a lot of work on it, but it held up.

Q. Sleeping on a lead for your potential first major championship.

JERRY KELLY: Yeah, it doesn't --

Q. Doesn't bother you?

JERRY KELLY: No.

Q. Not that guy?

JERRY KELLY: I mean, it's just -- it's cliché, it's another tournament, it's another round, it's another hole, it's another shot. It's Groundhog Day. We're just going to play golf. And I just like to have fun playing golf, and I know I'm going to do well, so...
