

ROUND 4 INTERVIEW
August 16, 2020

C.T. PAN (-3)

Q. C.T., let's just talk about that hole-in-one there on the 16th hole if you could, please.

C.T. PAN: Oh, it's amazing. I hit a perfect shot, 174 yards, hit a cut 7-iron, just kept drifting. It was a perfect line, wind was left to right and it just landed a yard short and dropped in. I was pumped. It's been tough out there for me this weekend, so it's good to finish with a hole-in-one, for sure.

Q. Not only feel good for you, but also for the community as well. One million Wyndham Rewards points going to four different local charities. What does that kind of mean to you to be able to donate those back to the four different charities?

C.T. PAN: Yeah, it's awesome. I want to thank Wyndham Rewards for doing this charity, and for me, I was lucky to be part of it. Hole-in-one, the chances are pretty slim, so I'm happy to help, and just really grateful for Wyndham Rewards for helping make society better and for helping kids out there.
