

ROUND 4 INTERVIEW
August 16, 2020

HAROLD VARNER III (-17)

Q. How would you characterize your week, Harold?

HAROLD VARNER III: It was good. Best finish of the season, best finish here, and it's in North Carolina, so I'm trending in the right direction for the Playoffs. I don't know why I always do this, I can't start early and play well, but it is what it is. Just want to make it to East Lake, so I've just got to keep playing well.

Q. How much confidence are you carrying going into Boston next week?

HAROLD VARNER III: A lot. I've played well there. Next week will be good. It will be another tournament, but yeah, I won't overthink it.
