

ROUND 1 INTERVIEW
August 19, 2020

VIJAY SINGH (-4)

Q. Probably not the way you wanted to end the day, Vijay, but overall that was a great round. Just your thoughts.

VIJAY SINGH: Yeah, I played well. I've been playing pretty good, so finishing the way I did, I would have loved to make that par putt. I hit one of the better drives of the day and a great 3-iron. All in all, I'm quite satisfied. I haven't had a good first round for a while, so this is a good first round and then build up from there.

Q. You've had some history here, winning with Carlos a couple years ago. Is there some confidence that comes from that?

VIJAY SINGH: It's totally a different format. I've played this golf course once. It's a very finicky golf course, this is. You think you can stand there and just hit a driver and be okay, but if you miss it, you get penalized. These greens were spinning. Some were spinning and some were not. All in all, yeah, I won here, but if I would win it again, my goal is to come here and win one of these two events.
