

**ROUND 3 INTERVIEW**  
**November 21, 2020**

**CAMILO VILLEGAS ( -12)**

---

**Q. Just get some overall comments on your round.**

**CAMILO VILLEGAS:** Yeah, you know what, it wasn't bad. Obviously it wasn't playing too hard out there, some good scores. Made a couple mistakes on 10 and 13. Other than that I played well, just kept hitting good putts and just close to the edges and it was one of those days where the putts didn't drop. Other than that, it was kind of good. We'll be back tomorrow.

**Q. Last question, do you feel like the three-putt on 10 may have cost you a little momentum on the back nine?**

**CAMILO VILLEGAS:** Not really. I mean, you're trying to focus on each shot. Maybe from a scoring point of view, but from a mental point of view, you've got a tee shot to hit on 11 and you've got to keep going. Obviously it was a fast putt and then I pushed the second one, but it is what it is.
