

**ROUND 3 INTERVIEW**  
**December 5, 2020**

**EMILIANO GRILLO (-16)**

---

**EMILIANO GRILLO:** Like you say, started in the lead, finished in the lead, that's kind of the idea. Hopefully one more of those.

**Q. You shoot a 63 on Friday. For the fan at home, what's it like to try to protect a four-shot lead when it's Saturday and now into Sunday?**

**EMILIANO GRILLO:** Any day is the same, you've just got to go and play your best and try to beat everybody else. That's the plan every day. I mean, everybody grinds for that.

**Q. What can you pull from this round that you were proud of?**

**EMILIANO GRILLO:** I just finished under par. Like you say, finishing with the lead again, that's kind of what I take from today, take into tomorrow. I think that's the -- like I say, that's the plan again for tomorrow, just finishing with the lead.

**Q. You've won before, you've been in this type of situation before. What are you going to draw on going into the final round?**

**EMILIANO GRILLO:** Well, I don't think I had the lead before, so it's sort of an easy situation. But again it's the same, just trying to do the same over and over. All I can do is just try to shoot under par tomorrow and see if it's enough.
