

**ROUND 4 INTERVIEW**  
**December 6, 2020**

**JUSTIN THOMAS (-14)**

---

**Q. Just a few comments. Good week. What does that kind of week do for you, especially after yesterday?**

**JUSTIN THOMAS:** Yeah, it's a fun tournament, it's a fun track. I mean, I've got to figure out what's going on on Sundays. I played really terribly, to be honest, the last three, four, five Sundays having a chance to win, so I've got to figure that out. But yeah, I mean, really just a couple swings away from -- one swing away today from even with a bad round finishing top-5. A lot of positives to look at, but definitely not pleased with how the week turned out.

**Q. Are you down for a while?**

**JUSTIN THOMAS:** Yeah, I'm playing Father-Son in a couple weeks with Dad and then Kapalua.
