

**ROUND 1 INTERVIEW**  
**January 28, 2021**

**K.J. CHOI (-6)**

---

**Q. How would you describe your round out there today?**

**K.J. CHOI:** Yeah, this course renovation of the North Course is more narrow fairway and more longer and more harder greens. My focus today, I keep in the fairway and I am in the field as a high cut is everything make it is good, so we go in the fairway and make it and then make a putt. And then starting on No. 2 is over 30 feet is make it. Oh, keep going. So today is so lucky, 6 under par is a very good start.

**Q. You've been playing well not only on the PGA TOUR Champions, but also on the PGA TOUR as of late. What do you credit your great play to recently?**

**K.J. CHOI:** A little different the course setup. PGA TOUR is more focus in the fairway, don't miss the fairway, is more focusing. And then younger player is more exciting, competitions are lovely, as my (indecipherable) is more bumpy. So, yeah, Champions Tour is not easy. Top 12, 13 guys is very strong and make it putt and everything. I'm more the last chance on the PGA TOUR 2021 and over 125 in the FedEx, so I'm trying to next year on the Champions Tour.
