

**ROUND 1 INTERVIEW**  
**January 28, 2021**

**WILLIE MACK III ( +2)**

---

**Q. Willie, just describe your overall first impressions.**

**WILLIE MACK III:** It was exciting. I was playing good to the last three, three out of the last four holes, but other than that it was a good day and I'm excited to get out there tomorrow.

**Q. What was it like hitting your first tee shot? What were the emotions like?**

**WILLIE MACK III:** I was a little nervous, but I hit it a little right, hit it on the green to about 15 feet, missed a putt, but it was a good start, start to my PGA TOUR debut. Off to the races.

**Q. Did you have like one of those like a-ha moments out there, like, oh, my God, I'm playing on the PGA TOUR? Did you have like a moment or something out there on the golf course?**

**WILLIE MACK III:** Not really. I think it was more not having any fans out here, it was just a regular round of golf. I know Ryan Brehm from Michigan, so it was a good pairing and I'm excited to get out there tomorrow.
