

ROUND 1 INTERVIEW
January 28, 2021

SCOTTIE SCHEFFLER (-7)

Q. Seven under, one back of the lead. Could you describe your round a little bit for us today?

SCOTTIE SCHEFFLER: Yeah, I didn't drive it as well as I hoped to, but I missed on the correct sides of some holes and kept myself in position all day and took advantage of a few opportunities that I had.

Q. You had a really great opportunity on 16. Can you tell us about that shot?

SCOTTIE SCHEFFLER: Yeah, hit it in the fairway, hit a nice tee shot there, was aggressive with driver and was able to put a little bit of spin on my approach and I guess it came back and went in. I didn't get to see it go in, but I hit it how I wanted to, so glad it went in.

Q. How's married life?

SCOTTIE SCHEFFLER: It's good, yeah. It's going well.

Q. And for the conditions tomorrow, does your game plan change at all?

SCOTTIE SCHEFFLER: Yeah, we'll just see what it's like in the morning. Going to a different course with harder conditions, so tomorrow's going to be a challenge, but looking forward to it.

Q. You said you didn't see it go in. Is that one of the times you miss fans the most?

SCOTTIE SCHEFFLER: Yeah, for sure, because like you could see the guys on the tee box behind and a couple of them were watching and they went like this and I was like, oh, I hit it close. Then they're like in, in, and I'm like, oh, sweet. They're not going to make any noise up there, so definitely missed hearing something happen.
