

ROUND 2 INTERVIEW
January 29, 2021

WILLIE MACK (MC)

Q. Willie, just talk about your Tour debut, the experience you had this week and what you take away from these two days that you can apply in a couple weeks up at Genesis?

WILLIE MACK III: It was a good week. I think I hit four fairways, so other than that, every other part of my game was pretty good.

Q. And with Farmers and the relationship you have with them, having the opportunity this week, what can you just say about them as an organization and what they're doing to provide opportunities for players like yourself?

WILLIE MACK III: Yeah, Farmers, Jeff Dailey, CEO, I can't thank him enough for just letting me and Kamaiu have an opportunity to get out here. It's our dream to be out here and I can't wait for the Genesis in three weeks.

Q. And with the APGA event tomorrow, any words or advice or encouragement or friends on that Tour?

WILLIE MACK III: Yeah, I'm going to take some of them, say hit it in the fairway, you don't want to do what I did, hit it in the rough. I'm pretty sure they'll have a good time. I think there will be some good scores out of that group.
