

**ROUND 4 INTERVIEW**  
**January 31, 2021**

**VIKTOR HOVLAND (-9)**

---

**Q. How would you kind of describe the day in your eyes?**

**VIKTOR HOVLAND:** It was obviously the front nine was awesome, made four birdies and was just really solid tee to green; made some putts there as well. On the back I didn't really feel like I played bad at all, you know, it was just a couple of mistakes and it's so easy to just let things kind of slip away.

But it was -- it's cool to kind of be up there having a chance to win. Didn't work out this time, but feel like I learned a lot and look forward to next week.

**Q. You're taking obviously a lot of positives from this week to Saudi Arabia, correct?**

**VIKTOR HOVLAND:** Yeah, for sure. I feel like my game has been trending in a good way, so I just need to keep working on the things I need to keep working on and hopefully next time I can just get it rolling a little bit more my way.

**Q. Viktor, were you able to see video of the situation that Patrick Reed was in yesterday with the drop on 10?**

**VIKTOR HOVLAND:** I have not seen the video. Obviously I've heard about what happened and yeah, I mean, without seeing the video, I don't really feel like I have anything to comment on, to be honest.
