

GREG CHALMERS

Q. Great round today. Just a few comments on what you felt like was going right and what your strengths were.

GREG CHALMERS: I kicked off on that front nine. I had a nice little eight-footer to give me confidence on the first for par. And then honestly, for the next sort of seven holes after that, I played really, really -- some of the best golf I have played in a long time. Wasn't so much the same on the back nine, but then that culminated with a -- those seven holes culminated with a hole-in-one there on No. 8, which is actually my second hole-in-one at this venue.

Q. Oh, is it really?

GREG CHALMERS: Yeah. I first got a hole-out on 16 way back when. I think it was like 2011 or 2010.

Anyway, so I have had two hole-in-ones here now. And it's always kind of a shock at the time, but I'm really pleased with the round.

Q. That's fantastic. I know you finished top ten, I think, once here before?

GREG CHALMERS: Yes. That was the year -- I finished fourth one year. And I finished a hole-in-one, birdie, par, to go from like 12th to --

Q. Glad you told me that. So obviously the course -- I realize the hole-in-one bumps you up pretty quick?

GREG CHALMERS: Yeah.

Q. But you like the course? The course suits your game?

GREG CHALMERS: I do. I like -- typically -- I grew up in Perth, at Royal Fremantle Golf Club. It's the third windiest city in the world. So I'm used to playing in the wind. I enjoy moving the ball around and control -- trying to keep it down. And that plays to more how I like to play. So, yes, if the wind is blowing, I'm okay with it.
