**Q. It was a lot of starting and stopping today, crazy stuff, but you're still right there at the top 5. Just a few comments on today and how you're feeling. Kind of looking forward to the final round.**

**BRANDON WU:** Yeah, feel good. Today just -- yeah, I played pretty solid overall. Had to scramble a little bit harder today, I felt like. I mean, I think it was playing tougher, the start and the stop, the rain, crazy conditions. But, yeah, game feels really good, and I feel really good heading into tomorrow. I know it's tough to bogey the last two, but my caddie was like, you're in position going into the final round, this is exactly what you're looking for. So I think I'm quite excited about that. And I'm looking forward to tomorrow.
