

**ROUND 2 INTERVIEW**  
**May 7, 2021**

**JERRY KELLY (-7)**

---

**Q. A 2 under, Jerry. Your thoughts on the round? It's going pretty good.**

**JERRY KELLY:** Yeah. I was surprised on a few of those iron shots played. I figured we could keep it down in between the trees, but it was still puddling down pretty hard. I hit the balls pretty solid myself. I hit it better today, but I didn't make as many putts today. Yeah, I mean, it was just kind of working your way into the weekend. I feel good. Try to conserve a little bit, my first four-day event. Old man's getting tired. So we just got to get ourselves in position tomorrow, and then hopefully be able to pull something out at the end.
